Our Story & Vision

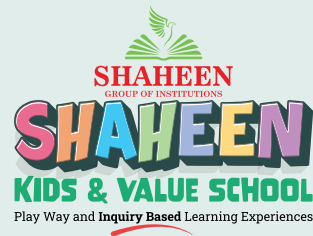

About Minds in Motion Foundation

Minds in Motion Foundation is a registered Foundation committed to educational innovation, social transformation, and community empowerment. It works to promote inclusive, value-based education and supports institutions that foster character and creativity among students. Over the years, it has organized educational expos, teacher training programs, science fair and workshops, and Educational campaigns across Maharashtra.

The Foundation strongly believes that every child, regardless of background, deserves access to a nurturing and modern learning environment. In line with this vision, it has partnered with **Shaheen Group of Institutions** to bring high-quality early education to Aurangabad through **Shaheen Kids and Value School**.

About Shaheen Kids and Value School

Shaheen Kids and Value School is a unique early childhood education initiative rooted in value-based learning, child-focused instruction, and innovative pedagogy. What sets us apart is our ability to blend modern learning techniques with timeless principles, ensuring holistic growth in every child.

We focus on the child's overall development intellectual, emotional, physical, and spiritual. Our learning environment is designed to encourage creativity, curiosity, collaboration, and character building.

Our Founders

The visionaries behind this initiative are:

Abdul Basit Siddiqui

Noman Saudagar

Munir Deshmukh

Iftekhar Patel

Irshad Patel

Sohail Ahmed

Their dedication to community development and education led to the establishment of **Shaheen Kids and Value School**, a place where foundational education meets future-focused thinking.

Our Vision

"To nurture young minds with enquiry and value-based education, preparing them to become confident, compassionate, and capable individuals."

Our Mission

- To provide a safe, inclusive, and joyful learning environment.
- To encourage curiosity, creativity, and cooperation.
- To impart strong moral values alongside academic learning.
- To lay the foundation for lifelong learning and social responsibility.

About Our Franchisor

Shaheen Group of Institutions

Shaheen Group of Institutions, based in Bidar, Karnataka, is one of India's most reputed educational networks. For over **35 years**, Shaheen has produced thousands of successful professionals, scholars, and community leaders. The group is nationally acclaimed for its coaching and mentoring of students aspiring for NEET, JEE, Civil Services, and other competitive exams. In recent years, over 500 students annually have qualified for NEET through Shaheen's structured programs.

Core Values :

Shaheen's philosophy integrates academic rigor with Islamic values and moral development. Its institutions emphasize simplicity, sincerity, and service to society.

Message from Dr. Abdul Qadeer

Chairman-Shaheen Group of Institutions, Bidar

It gives me immense pleasure to announce the launch of **Shaheen Kids and Value School** in Aurangabad—a significant milestone in our mission to expand quality education to every corner of the nation. This new venture is a reflection of our commitment to nurturing young minds with knowledge, values, and vision from the foundational years of their learning journey.

At Shaheen, we believe that education is the most powerful tool for shaping a progressive and harmonious society. Our journey, spanning decades, has proven that when students are empowered with both academic excellence and strong moral grounding, they grow to become confident, responsible citizens.

The Aurangabad initiative brings to the region Shaheen's proven model of holistic education—where **academic rigor meets character development**, and where modern learning methods are enriched with timeless values. From early childhood, our students will be guided to become curious learners, critical thinkers, and compassionate individuals who are ready to meet the demands of a rapidly changing world.

I am especially pleased to highlight that this new beginning is made stronger through our partnership with **Minds in Motion Foundation**, a respected organization committed to educational innovation, community development, and equitable learning. The collaboration between Shaheen Group of Institutions and **Minds in Motion Foundation** ensures that **Shaheen Kids and Value School** will not only offer excellence in early childhood education but also remain deeply rooted in community values and inclusive practices.

As we begin this new journey, I extend a heartfelt invitation to you to join us in shaping the future—by investing in your child's growth through an education that is both enriching and empowering.

Together, let us build a generation that is academically brilliant, morally upright, and ready to lead with purpose.

Programs, Curriculum & Educational Philosophy

At Shaheen Kids and Value School, we are proud to integrate the globally recognized Pearson **MyPedia Preschool Curriculum** into our early childhood education program. This curriculum, aligned with India's National Education Policy (NEP 2020), fosters holistic development through a theme-based, integrated learning approach that nurtures language, numeracy, motor skills, creativity, and emotional intelligence. In addition to this rich academic framework, our esteemed franchisor, Shaheen Academy, provides comprehensive teacher training programs and continuous academic guidance to ensure the effective delivery of **the Pearson curriculum**.

Recognizing the importance of spiritual and moral development from an early age, we have also incorporated the Deeniyat curriculum of **"Understand Al-Qur'an Academy"** into our daily schedule. This program introduces children to the foundational teachings of the Quran in an age-appropriate, engaging, and meaningful manner—fostering love for faith, values, and good character. Together, these integrated curriculums provide our students with a balanced, value-based education that nurtures both the mind and the soul.
